Books in Bloom Installation: Floral displays are to be installed Wednesday, March 19 between 9am and 1pm at the branch you have been assigned. Designers should plan to design and create their floral arrangements at home. Creating your floral arrangement on top of the display location is NOT permitted due to the presence of paper library materials.

Book: You are encouraged to check out a book at the library. All book genres are appropriate for this activity. If you choose to use your own personal copy, Calvert Garden Club or Calvert Library will not be held responsible for any damage or loss.

Staging of the Design: Displays will include the following: (1) your floral design, (2) book, and (3) 5x7 design information stand (CGC will provide information stands). Displays will be placed at the four Calvert Library locations in Calvert County. Your display will be on a bookshelf or tabletop with a minimum of 24"x24" top area. Display top heights from the floor at typically between 2.5 - 4 feet. In addition, there are several smaller display locations. Please let us know if you are planning on a large or small design. You will know the exact dimensions of your design space after locations have been assigned. *Please plan to pick up your installation prior to 4pm on March 22.*

(Your designs should NOT hang from the bookshelf or table as there are no surrounding walls to support your design.)

Contact: Andrea Kroll krolfly@hotmail.com to register. Please provide name, book, and choice of library location to display.
