Calvert LIBRARY
#calvertREADS

Uneath a Story! Together we can read 3 million minutes.

This summer, Uneath a Story with Calvert Library! Whether you're exploring new tales, ancient tales or dinosaur tails, reading brings family and friends together, stops our brains from fossilizing, builds community and most of all, it's fun! This summer, your reading and activities can unearth tons of tickets for our prize drawings on July 18 and August 15! All ages can play—from the freshly hatched to dinos who are a little longer in the tooth, so join in our summer excavation, as we Uneath a Story!
